Many scholars identify the place in our text with this Bezek.* The situation, however, does not meet the requirements of the narrative at all. Others have therefore supposed that there was another, hitherto unidentified, Bezek in Judah, J and if the text be sound, this seems necessary. Å§ Budde thinks that the name Bezek was introduced by an editor, who derived it merely from the name of the king Adoni-bezek; but after the words they came upon A., an indication of the scene of the encounter is About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
