

El Comentario a las Sentencias de Pedro Lombardo constituye la primera obra mayor de Tomas de Aquino fruto de su ensenanza como bachiller sentenciario al comenzar su primera estadia en Paris (1252). La obra de Pedro Lombardo (ca. 1090-1160), objeto del Comentario, ofrece un capital patristico bien ordenado, que el Aquinate desarrollo y supero resueltamente. La materia de las Sentencias se distribuye en cuatro libros: I. Dios Uno y Trino; II. Dios Creador; III. La Encarnacion del Verbo y su obra de Redencion; IV. Los Sacramentos y la Escatologia. Todo ello esta organizado en torno a dos nucleos tematicos: Las cosas teologales (los tres primeros libros) y Los signos teologales (libro IV). Pero Tomas de Aquino deja en segundo lugar esta division lombardiana de cosas y signos para organizar la teologia teniendo a Dios como centro, con todas las cosas a su alrededor segun una relacion de descenso (proceden de El como origen) y regreso (vuelven a El como fin ultimo).
