

How does it feel to be diagnosed with a terminal illness? How do you handle your journey toward death? How does it feel to be the spouse or caretaker of the one who is increasingly debilitated? Where can I get help? Where is God in all this? This book answers these questions and many more. Richard says, In the end, it comes down to three things: faith, family, and friends. Pamala adds, I pray that our family's suffering has done some good, that these words will get off the pages and into hearts.
